

Annette Hammond

Councillor

My husband, Gerard, and I have been a part of the Legal Community for 30 years. Originally from Newfoundland, then spending some time in Fort McMurray, we settled on Legal as a great place to raise our family. We have four children, Lisa and Billy who live right in Legal, Kevin who lives on an acreage just outside of Town and Kari who lives in Edmonton. We have five grandchildren ranging in ages from 3 to 13.

The family values and close community feel is what drew us to the area 30 years ago and what sparked our decision to move into Town from our acreage 2 years ago. Legal was and is a great place to raise a family.

I have always had a firm belief in volunteerism. For years, I was involved with the Fete au Village Committee, for several of those years I served as president. I have been involved in minor hockey, minor ball, the Chamber of Commerce and Small Town Saturday Night. Working with these organizations gave me the opportunity to get to know my community and provided great opportunities for my children growing up.

I work for a local business and also have had a home-based travel agency for many years. I understand the importance of supporting our local businesses so that we can maintain services and conveniences in our Town. It is important for our young families, and even more important for our seniors.

I am excited to serve as a member of Council for the next four years and look forward to developing some great relationships with the people of Legal and with the surrounding communities.
