

Pat Hills Councillor

A short note to my fellow residents of Legal.

PAT'S FACTS

Resident of Legal for 59 years

Married to Jackie for 29 years . We have raised 3 children in the community.

Employed locally for 41 years

Active Community Member:

35 years as a volunteer of the Legal Fire Department

Past Volunteer and President Legal Ambulance service

Volunteer various community initiatives

Legal Town Councilor 2013 to present

Committee work:

Roseridge Landfill

Fete Au Village

Alberta Bilingual Municipalities Association

ACHIEVEMENTS

Working with Town of Legal administration, our current council has managed to:

Complete a sewer line upgrade worth \$2.5 million. Legal is now well positioned for future growth in excess of 2x our current population.

Lobby and secure improvements to secondary highway #651 passing through Legal east to west. This included gutter and sidewalk repairs and replacements along mainstreet.

Adopt a new Town of Legal logo and slogan

Collaborate with neighbouring communities to create a Regional Emergency Management Plan

Secure grant funding to aid in the repair of the Curling rink roof

Actively support community groups in meeting their goals including the erection of the digital sign by I'ACFA and repairs to the Club 60 Roses accessibility ramp to name a few

I believe the Town of Legal is not just homes; it's the people, families, young and old who live and flourish here that matter. Legal has a history of being a clean, well run community and I am proud to serve as an elected official. I am encouraged by the prospect of future opportunities for our Town.
