

Carol Tremblay

Mayor

Hello fellow residents of Legal. My name is Carol Tremblay and I would like to take this opportunity to tell you a bit about myself.

FAMILY: My husband Dan and I have lived in Legal the majority of our lives (35 yrs). I am the daughter of Ken and Debbie Hunting, daughter-in-law of Raymond and Marie Tremblay. Dan and I have a 9 year old daughter attending the École Citadelle. Currently and for the past 15 years I have operated a home-based business; Cybernetic Innovations Printing and Office Services here in Legal. As well, I held the Kitchen facilitator position for the Legal Community Kitchen Program, from 2011 till the fall of 2016. In fall of 2016, I accepted a part-time administrative position with Sturgeon Valley Fertilizers at their Legal location.

COMMUNITY: Since 2010, I have held the Secretary / Treasurer position with the Legal & District Chamber of Commerce; in addition I have been the volunteer publisher of the Chambers monthly newsletter the "Legal-Lerie" since 2009. I am an active member of the Fête au Village Committee. (Duties including: gathering of donations, sponsorships, generating advertising materials and assisting in group organization of events). In addition, I am also a Legal Lions member.

Being an active member of the community is very important to me and I take great pride in volunteering within our organizations. I look forward to continuing my involvement!

COUNCIL: In 2012, I was elected in office during a bi-election and held a seat as Councillor for a 10 month term. In 2013, I was re-elected into office where I held the Deputy Mayor seat from 2013 to 2015. In October of 2015, I was voted in as Mayor by my fellow Councillors for the remainder of the term (2015-Present). The past 4 years serving in office has been an exceptional experience. Learning the roles and duties required of each seat held during the course of my term(s) has given me great respect for municipal government and those that the time to be involved. Each Councillor plays an important role in all debates regarding our community and serving of our residents, I am proud to have worked with the past council(s). Over the course of the term(s) there have been many successes for the future growth of our community some including:

- * Supporting local service groups & organizations while assisting with projects and town events
- * Development of new Town logo & slogan
- * Advocating and completion of 50 Ave paving (Main Street)
- * Completion of \$2.5M Wastewater Trunk Line Replacement
- * Numerous side road and sidewalk improvements
- * Transition from Sturgeon Foundation to Homeland Housing
- * Creation of Sturgeon Regional Emergency Management Plan
- * Continually making financially sound decisions

Throughout the ladder of positions I have maintained the willingness to be approachable, respectful, and honest with the residents of Legal and have brought concerns, as well as suggestions to council chambers for debate. During the next 4 years I would like to focus on the continued collaboration with our neighboring municipalities, work on the next stages of economic development, in addition to advocating for more policing and improvements to our seniors' housing. Helping keep Legal a safe place for our children to grow and where our seniors can age in place.
