

Legal 2017

Monday October 16

GOUIN, Gerald

2017 Legal Election
Council Candidate

I am coming out of retirement and my only job is working for you.

I believe if you have the right attitude, belief in oneself, and one higher than oneself; have the confidence, determination, energy and enthusiasm that there's nothing you can't do.

If elected, I promise not to delay, put off, or ignore your concerns. I will represent your voice, this community and the interests of everyone in it, to the best of my ability!

The engine retarder brake sign will be installed shortly. "You're welcome", but why not 20 years ago? What a fight! No more noise to wake your children, upset your pets or disturb your peace.

We shouldn't have to wait until election year to have our concerns addressed and recognized! Their continuous excuses do not sit well with me. You will see that I am both receptive and responsive, AND I WILL MAKE A DIFFERENCE!

I don't just speak the change. I make the change. I've got the knowledge, heart and vision to succeed!

We need a Council of substance, with a "can do it" attitude. Problem solvers with optimism, not cynicism. A Council with direction, motivation and fresh ideas on how to move this town forward into the future.

More activities for the young people! Improve the needs and services for our seniors! Make roads safer! Ensure local businesses thrive! Promote our town! Secure the future! And the list goes on!

80% of politicians spend 20% of their retirement serving time. I will give 110% of my time serving you!

Thank you to Raoul St. Jean for nominating me and encouraging me to run.
