MALOTT, Fred

**2017 Legal Election
Council Candidate**

I am seeking election for a position on the Legal Council because I believe I have attributes that are beneficial to the community.

I am a very dedicated and reliable individual who has spent many years working on various committees and projects within the community. I bring expertise and experience with various organizations to the table with me.

This year's unusual number of houses for sale is an alarm that something has gone wrong within our town. I believe that we need to find out why this is happening and work together to create a turnaround. We need to improve on what we have to offer and focus on keeping people here and once again become a vibrant growing community.

I believe that my honesty, integrity, responsible attitude and commitment will be beneficial to the people of Legal.
