2	We really enjoy the Morinville library because Legal is not a member, the residents of Legal have limited services available to them. We cannot order books in paper or rent them electronically. This is shameful and needs to change.	2/27/2019 1:39 PM
3	- Perhaps a granting type program to community groups - Research other surrounding communities for different programs ideas. - Main Town events eg; light up the park, family day, July 1st ect day events are appreciated and fun to attend, but change it up a bit from year to year could gain more interest. Better attendance. Loved the addition of Sucre la crème to Family Day! Re-establish a FCSS/Community Service board to help Town with offering programs - benefits, more ideas, less work load, more relationship building/connections, more advocacy on behalf of Town, more community involvement. More buy in to programs and engagement of the Community.	2/27/2019 1:36 PM
4	I really enjoy the family activities the Town of Legal puts on. ie; fete au village, Christmas in the park.	2/27/2019 1:01 PM
5	The recreation activities are humdrum/blasse no activities with pizza that all can do at the same times. A place is needed where the setting is not so stuff and a place where people can forget their daily problems for a time.	2/27/2019 12:59 PM
6	Two most important is no fitness/swimming facility and timing of fitness classes at 5:00 pm.	2/27/2019 12:53 PM
7	I'd like to commend the Town on booking concerts or events in Edmonton with bus services. Great for people 55+. I'd like to see more of this.	2/27/2019 12:45 PM
8	More benches and tables needed at each playground. Walking trails need to be extended to connect and need to have bettering crossing at main street by the bridge. Not well marked and very dangerous for kids to cross.	2/27/2019 12:40 PM
9	Overall I think the Town is well kept and has lots of parks/arena's for the size of the Town. The paved trails could use some up by the cemetery.	2/27/2019 12:37 PM
10	Clean trails more often and cut grass around trails near creek. Re-pave also.	2/27/2019 12:31 PM
11	I am a senior so am happy that there is a skating rink, curling, etc for those that can enjoy it. Would love indoor walking program for winter.	2/27/2019 12:29 PM
12	I think the Town does a good job and I am excited to see what ideas this survey generate.	2/27/2019 12:24 PM
13	More programs for seniors, like bus swim programs for fitness, more yoga classes.	2/27/2019 12:19 PM
14	Love the fun hockey program and I think the Town should do everything they can to support programs like this. It gives more opportunities for families who can't put their kids in league sports for various reasons.	2/27/2019 11:53 AM
15	Garbage cans on south side of fishing pond and benches.	2/27/2019 11:51 AM
16	Would like to be able to sign up and pay fees online. More convenience to do online with work schedule/out of Town residents.	2/27/2019 11:45 AM
17	More of a general suggestion to have more shades areas around the playground parks for kids and parents on very hot and sunny days.	2/22/2019 3:32 PM
18	For a small town your good but their all way improvement can be done.	2/17/2019 5:08 PM
19	I think the town offers a lot of programming. thank you for that!	2/14/2019 7:33 PM
20	A fenced off leash dog park/area would be excellent to have in town. Especially since dogs must currently be leashed in all parks. In addition, residents are required to pay a Licensing fee for animals and we do not see anything in return for that fee.	2/13/2019 7:01 PM

21	For the size of Legal we maintain way too many ball diamonds. Most sit unused 98 percent of the year. We really need to get rid of a couple and put in more natural areas with tree stands, not landscaping trees but stands of assorted trees.	2/12/2019 8:13 AM
22	For a small community I think Legal is doing a super job. Having a survey is an excellent idea. I hope you get a lot of feed back.	2/6/2019 7:20 PM
23	I would love more family events on the weekends or evenings, especially some that would be suitable for families with young kids.	2/1/2019 2:52 PM
24	I think there is a missing age group of teenagers activities. But parents are not interested in helping out with a youth group and that is why is flundered. Even when the Fete tried to get teens active there was no interest.	1/28/2019 6:39 PM
25	More garbage cans in soccer fields. If there is no garbage people will continue to throw on ground.	1/27/2019 9:36 PM
26	Trails are not well maintained	1/27/2019 8:53 PM
