**DELEGATIONS, PETITIONS OR PRESENTATIONS**

**St. Albert Sturgeon Hospice Association, Marcie Mazurenko – Virtually**

Mayor Jones virtually welcomed Marcie Mazurenko with the St. Albert Sturgeon Hospice Association (SASHA) to begin her presentation. The commitment of SASHA is to honour and support the clients in their end-of-life journey; that is, to living fully until the end. Marcie spoke on their vision which is to create a haven in the St. Albert region that honours people in their end-of-life care. The mission of SASHA is to support, educate and empower those affected by or caring for a person with a life-limiting illness in our community. In 2016, 10 hospice beds opened at Foyer Lacombe. Statistics were provided to Council showing the need for end-of-life services. 70% of Canadian deaths occur in the hospital due to lack of access to home-based hospice care. SASHA helps by providing a Compassionate Care Volunteer Program (CCVP) which consists of volunteers going into homes and offering companionship, respite for caregivers, and community resources. To continue to grow their programs in the Town of Legal, they would like Council's feedback and support.

Councillor Malott inquired about any feedback on the program after death of person. Councillor Hills wondered if there was a need for more than ten (10) beds. Marcie shared there is a wait list, and they will continue to advocate and lobby for more beds and funding. SASHA received biggest funding from fundraising and

donations. They have received their first government grant. Mayor Jones has asked to keep the Town of Legal in future communication as they expand.

Mayor Jones thanked Marcie for her informative presentation and looks forward to more communication in the future.
